Ask your librarian for details on how to access Academic Search within the library or remotely.

See reverse side for features that make researching easier.
Features of Academic Search

Search Screen

1. Search Box: Start your research by entering keywords to search journals, books and more.
3. Subjects Browse: Browse articles using EBSCO's controlled vocabulary of terms that assists in the effective searching of academic content.
4. Browse Cited References: Cited References connect users to additional information about EBSCOhost articles of interest.
5. Search Modes: Search using Booleans or exact phrases, automatically place AND or OR between your search terms, or search using large amounts of text with SmartText Searching.

Result List Screen

1. Current Search: Quickly view your current search selections and update your search results by removing selected items.
2. Limit your results: Refine your searches without navigating away from the results page.
3. Facets: Filter search results by source type, related subjects, and more.
4. Personal Folder: Create a personal My EBSCOhost folder to save articles, links to searches, images, and more.
5. Related Images: Preview thumbnail images from full-text articles and EBSCO's Image Collection.
