

The world's definitive scholarly, full-text business database

Business Source Complete exceeds all other databases available in terms of its premium content of peer-reviewed, business related journals. Included as part of the comprehensive coverage offered by *Business Source Complete* are indexing and abstracts for the most important scholarly business journals, dating back as far as 1886. In addition, searchable cited references are provided for more than 1,300 journals.

Journal ranking studies reveal that *Business Source Complete* is the overwhelmingly superior database for full-text journals in all disciplines of business, including marketing, management, MIS, POM, accounting, finance and economics.

Discovery for Business Research

While some discovery services provide broad coverage across a variety of subject areas, *EBSCO Discovery Service* (EDS) is designed to provide a broad and deep approach to discovery. EDS not only provides comprehensive coverage of each subject area (e.g., Business), but the highly-refined and robust indexing needed to offer an appropriate resource for academic subject-specific research.
